Quality Consulting Services

ISO Certification Body for Management Systems

Who we are:

Established in March 2016, Quality Consulting Services (QCS) LLC is an officially accredited certification body that conducts certification audits, delivers occupational and business trainings, and supports clients in the development of HSEQ-related software solutions.

Our scope covers a wide range of ISO standards, including ISO 9001:2015, ISO 14001:2015, ISO 45001:2018, ISO/IEC 27001:2022, ISO 50001:2018, ISO 10002:2018, and more.

General information:

QCS offers a comprehensive range of services, including ISO audits and certification, gap analysis, third-party inspections, occupational training, and specialized software solutions for Occupational Health & Safety (OHS) and Quality Assurance (QA) processes.

Our goals:

Our main goal is to deliver truly exceptional service that makes a positive impact on our customers' business and management.

Certification & audits

We deliver professional certification and gap analysis audits tailored to the requirements of quality management, information security, occupational health & safety, and environmental protection.

Our services align with both local regulations and international standards, including ISO 9001:2015, ISO 14001:2015, ISO 45001:2018, ISO/IEC 27001:2022, ISO 50001:2018, ISO 10002:2018, and more—helping organizations achieve compliance, enhance performance, and build lasting credibility.

Software solutions

QCS LLC supports clients in developing user-friendly, highly adaptable management system software solutions tailored to the specific needs and processes of each organization.

Our services

Trainings

QCS offers specialized training programs designed to enhance organizational competence in business management processes.

Our courses are aligned with international standards such as ISO 9001:2015, ISO 14001:2015, ISO 45001:2018, ISO/IEC 27001:2022, ISO 50001:2018, ISO 10002:2018, and are tailored to meet industry-specific needs.

All courses are delivered by experienced trainers/mentors in various industry sectors and with knowledge in a wide range of subjects & standards..

Our accreditations

ASCB

Accreditation Service for Certifying Bodies (ASCB) was formed in the United Kingdom to accredit a range of international non-governmental certifying bodies that assess products, personnel and management systems.

With the global headquarter in the United States, ASCB serves clients in over 70 countries worldwide, using internationally recognized conformity assessment standards.

<https://www.ascb.com/>

QCS LLC is accredited by ASCB since 2018.
